

MAIL IN ORDER INSTRUCTIONS

You are responsible for sending us your order. Please follow the instructions below and ship your order within the next 24 hrs

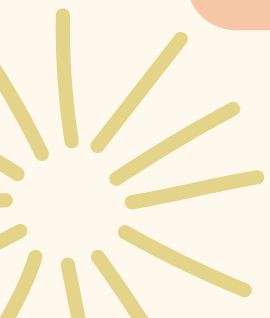

1 Take photos of all your units, sets, and pieces before filling out the check-in form and shipping your order to us. You'll need these photos to complete the Check-In form.

2 Print the pack slip from your order confirmation and include it in the package with your items to help us identify your order.

3 Take your order to your preferred shipping carrier. Keep the tracking and carrier info for the Check-in form and for your records.

4 Fill out the check-in form from your order confirmation email. Upload your unit photos, enter the tracking and carrier info, then submit the form to complete the mail in process.

5 That's it! You're all set. Once we receive your order, we'll confirm delivery and begin your services. If you need help, reply to your order confirmation email.
